6 United States of America,

7 Plaintiff,

8 v.

9 Eduardo Ruben Lopez,

10 Defendant.
11

Case No. 2:23-cr-00055-CDS-DJA

Sealed Ex Parte Order

12 Before the Court are two of Defendant's motions to seal, attaching Defendant's requests
13 for Federal Rule of Criminal Procedure 17(c) subpoenas. (ECF Nos. 94, 100). Having reviewed
14 both, the Court grants both the requests for Rule 17(c) subpoenas and the motions to seal.
15 However, because Defendant's motions are filed improperly under Local Rule IC 2-2(b), the
16 Court takes this opportunity to inform Defendant about the correct procedure for these motions.

17 Instead of filing two separate motions (a motion to seal and a motion for issuance of a
18 Rule 17(c) subpoena), Defendant has included his motion for Rule 17(c) subpoena as an
19 attachment to his motion to seal. Not only does this make it difficult to track the subpoena
20 requests granted and the subpoenas issued, but it is also inconsistent with the Local Rules.
21 Because Defendant is requesting two forms of relief (sealing and issuance of a subpoena), he
22 must file two separate motions under Local Rule IC 2-2(b). Additionally, Local Rule IA 10-5
23 contemplates that documents filed under seal (like Defendant's motion for issuance of subpoena)
24 will be "accompanied" by a motion for leave to file those documents under seal.
